

Cardo Hotels – Internship revenue coordinator

About Cardo

About Cardo Brussels Hotel

Cardo Hotels, the new lifestyle hotel brand, has opened the doors to its second property, located in Brussels. Cardo Brussels, a member of Marriott Bonvoy and the Autograph Collection, perfectly embodies the spirit of *Belgitude*, a subtle blend of charm, humor and authenticity that reflects the soul of the city and its people.

Located on Place Rogier, one of the most vibrant districts of the capital, the hotel invites guests to dive into a colorful, playful and satirical atmosphere that celebrates Belgian creativity and humor.

Every space, every room, every corner of the hotel stands out with a design where Belgian art and culture are omnipresent. Bold pops of color, decor inspired by local traditions and witty satirical touches add a quirky and fun twist, all while remaining warm and welcoming.

From its restaurants to its 1,500 m² of flexible event spaces, the hotel offers places to meet, create, laugh and enjoy, while also allowing guests to reconnect with themselves in a truly unique setting. It's a place where lifestyle meets lightness and work becomes a pleasure, all wrapped in a lively, unmistakably Belgian atmosphere.

Ready to turn data into business decisions?

At **Cardo Brussels**, we believe hospitality is both an art and a science. Behind every successful guest experience lies a smart pricing strategy, accurate forecasting and insightful market analysis.

We're looking for a curious, analytical and motivated **Revenue Coordinator Intern** to join our Revenue team and learn the exciting world of hotel revenue management.
